

F1-FMP1RUCABMANH

FEATURES

- Flush Mount
- 5 Saddle Rings
- Mounting Hardware Included

The FIS 1RU Horizontal Cable Manager allows you to efficiently route your copper and fiber cables in an organized and protected pathway. The use of saddle rings eliminates cable stress and keeps the proper bend radius intact.

SPECIFICATIONS

Dimensions	19"W x 3"D x 1.71"H
Material	.059" (16 Gauge) Cold Rolled Steel
Coatings	Electro-statically Applied Powder Coat, Available in Black
