70506K

Product Description

The Multilink® Starfighter™ 2000 Series of Optical Fiber Splice Trays are designed to safely route and store optical fiber and associated splices. The trays are fully compliant to industry specification Telcordia GR-769, Splice Organizer Assemblies for Optical Fibers. The 2000 series splice tray is designed to be installed into the Multilink® FDU's or 2000 Series Optical Fiber Splice Closure. The trays are in a family of units that support fiber splicing.
