

## FEATURES

- Hinged, removable door
- Holds (2) LGX adapter plate
- 2 Din Rail Mounting Positions (Kit Included)
- Top and Bottom Cable Entries
- Cable management accessories included

The FIS Compact Wall Mount has capacity for (2) LGX style adapter plate, Patch & Splice cassette or MPO/MTP cassette. The compact form factor along with an included Din Rail mount allows the enclosure to be mounted virtually anywhere. Equipped with a fully removable door makes either splicing pigtails or patching pre-terminated cables simple.

\*40mm splice sleeves (F1100240C-50) are recommended for use in these enclosures.
