

FIS UNIVERSAL ADAPTER PLATE BRACKET FOR CORNING WCH, CCH AND EDC CLOSURES

FEATURES

- Compatible with Corning WCH, CCH and EDC Closures
- Holds (1) LGX Style Adapter Plate

FIS offers a Universal Adapter Plate Bracket that allows installer to use an LGX style adapter plate within Corning WCH and CCH series closures. When original manufacturers' plates are not available, technicians can install this universal mounting bracket in a Corning WCH, CCH or EDC closure and instead utilize an LGX adapter plate. This bracket is not compatible with LGX style cassettes or modules, and will only hold LGX adapter plates.
