

**F1-UnivSOC-Oven**

## FEATURES

- Fully automated shrink/cooling cycle with the push of a button
- Low Battery indicator
- Charging indicator
- Designed to receive SOC Holder and preform
- Small size for convenient storage in fusion splicer case
- Adjustable timer

Using a factory terminated and pre-polished connector the Cheetah & Armordillo Splice-On Connector provides a connection meeting or exceeding industry standards for loss and back reflection. The Universal Oven shrinks both Cheetah & Armordillo shrink sleeves in less than 60 seconds and accepts all SOC styles.
