

FIS CASSETTE BRACKET FOR CORNING WCH, CCH, PCH AND EDC CLOSURES

FEATURES

- Compatible with Corning WCH, CCH, PCH and EDC Closures
- Holds (1) FIS LGX Cassette
 - Patch & Splice
 - MPO/MTP

FIS offers a cassette mounting bracket that allows installer to use an FIS LGX cassette within Corning WCH, CCH and PCH series closures. When original manufacturers' cassettes are not available, technicians can use this universal mounting bracket to install a FIS LGX cassette in a variety of Corning rack and wall mounts. This bracket is not compatible with LGX adapter panels.
